ABOUT US

Magnus Group is thrilled to invite one and all to its highly established event solely dedicated to dermatology and cosmetology, **"5th Edition of International Conference on Dermatology and Cosmetology" (IDC 2024)** which is all set to take place in **Paris, France** and **Virtually** during **June 24-26, 2024**.

IDC 2024 promises to be an enlightening experience, bringing together professionals, experts, researchers, and enthusiasts from around the world. The conference will revolve around the theme of **"Revolutionizing Skin Care Through Advances in Dermatology & Cosmetology"** highlighting the latest breakthroughs and innovations in the field.

With a comprehensive program, IDC 2024 will offer a platform for knowledge exchange,

networking, and collaboration among individuals involved in dermatology and cosmetology. The conference will feature keynote speeches by renowned experts, informative presentations, interactive panel discussions, poster sessions, and engaging workshops. Attendees can expect to explore a wide range of topics related to skin care, dermatological disorders, cosmetic procedures, advancements in technology, and the latest trends in the industry. From cutting-edge research to practical applications, the conference will provide valuable insights into the ever-evolving field of dermatology and cosmetology.

In addition to the in-person conference in Tokyo, virtual participation options will be available, allowing attendees to join from anywhere in the world. This ensures that the knowledge-sharing and networking opportunities are accessible to a diverse global audience. We invite all professionals, researchers, clinicians, industry representatives, and anyone passionate about dermatology and cosmetology to join us at IDC 2024. This is a remarkable opportunity to expand your knowledge, gain exposure to the latest advancements, and connect with like-minded individuals from across the globe.

We look forward to your participation in IDC 2024, where together, we can revolutionize skin care through advancements in dermatology and cosmetology.
